

**Washington State University  
Eastlick STEM Teaching Lab 170 & HVAC Upgrade  
Pullman, WA**

Sealed bids are being requested by the Board of Regents of Washington State University, for the above referenced project.

**Project Scope:**

This phased project shall renovate approximately 1418 SF in Eastlick 170; and upgrade HVAC in Room 170, as well as the sub-basement of Eastlick. There are two bid alternates for this project. The complete projects scope can be found in the Project Manual.

Project located at: 300 NE Veterans Mall, Pullman, WA 99164

Bid Estimate: \$570,000.00 to \$585,000.00

Bids will be received prior to 2:00 p.m.; Thursday, May 10, 2018 at Facilities Services, McCluskey Services Building, 2425 East Grimes Way, Pullman, WA 99164-1150. Proposals will then be publicly opened and read aloud in room 190D McCluskey Services Building.

A mandatory pre-bid conference for general contractors will be held at 10:00 a.m. on Tuesday, May 01, 2018 at McCluskey Services Building, Room 190D.

Parking on campus is enforced 24 hours a day, every day. It is bidder's responsibility to obtain parking permits to attend pre-bid meetings, site visits, and bid openings. Daily permit rates may be found at: <http://transportation.wsu.edu/TempFees.html>. Identify the meeting and project when obtaining the permit to receive appropriate rates.

Bid documents may be obtained at <http://facilitieservices.wsu.edu/contractors.aspx>. Contractors who would like to be included on the Planholder's list shall either attend the pre-bid meeting or request to be added by emailing [contracts@wsu.edu](mailto:contracts@wsu.edu).

Owner reserves the right to reject any and all bids and to waive any informalities or irregularities in the bids received.
