

2017-2018 Consultant Roster Registration Form

Instructions:

1. Complete this form. Be sure to include all services that the Firm is qualified to provide below. Note: Firms with multiple office locations that may enter contract independently must submit a registration form for each location.
2. Provide a Statement of Qualifications which includes the following basic information that does not exceed 12 pages for items A through D:
 - A. Registration Form
 - B. Firm History
 - C. Appropriate Resumes
 - D. History of Work
 - E. MWBE Status

Supplemental Information: Provide information to demonstrate your firm's ability to provide each of the Services you identify on the next page. At a minimum list three projects that were similar in scope and briefly explain the relevance to the type of service. Include the project name, facility size, project cost, completion date, and reference contact information. This supplemental information shall be a maximum of 2 pages of information for each of the Services identified on the next page.

3. Return all items only in electronic format, preferably PDF to contracts@wsu.edu.

Firm Profile

Firm Name _____

Mailing Address _____

UBI Number _____
